

Access Statement: Zaffiro Beach House

Coffs Coast Accommodation aims to ensure that our guest experience is as comfortable and enjoyable as possible. We are committed to providing suitable access for all our guests where possible, whatever their individual needs. In this statement we aim to accurately describe this property and its facilities in order to give you confidence that this home will meet your specific requirements.

Zaffiro Beach House Overview

Zaffiro Beach house is a three-level dwelling in a quiet neighbourhood street. The house has been modified to include access ramps with the living areas, kitchen, accessible bedroom and bathroom and the pool access all on the entry (main) level. The upstairs space comprises a second master bedroom with spa and ensuite along with an adjoining children's bedroom.

This property is suitable for people with mobility issues, hearing or vision impairment, older people and families with young children. Each of our properties has a compendium outlining facilities and the local area, provided in large print format.
